Picasso & Braque / Collage

Cubism / World War I / 1914-1918

an early 20th-century style and movement in art, especially painting, in which perspective with a single viewpoint was abandoned and use was made of simple geometric shapes, interlocking planes, and, later, collage.

Collage / Texture / Pattern/

Image overlay / Image juxtaposition

What is Photo Montage?

Photomontage is the process and the result of making a composite photograph by cutting, gluing, rearranging and overlapping two or more photographs into a new image. Sometimes the resulting composite image is photographed so that the final image may appear as a seamless physical print.
